SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	Although the paper might be consider of interest, the discussion and conclusion is too much poor. Data are not compared with the work of other authors. A main studying hypothesis is not easily understandable.	This time we try to more discussion with constructive conclusion. I think this time it may be accepted for publication. Thank you for review our manuscript.
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
