SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	Authors should indicate amount of soil samples and other materials in Kg used in physical and chemical analysis and instruments used to measure nutrients contents in the aliquots.	The amount soil samples used for the analysis are indicated in grams since they weigh smaller. The methods used in determining the physical and chemical properties of the soil are stated in the manuscript and these are standard laboratory precedures
<u>Optional/General</u> comments	This manuscript is very informative with a good scientific standard. Therefore, I recommend this manuscript for publication. Thanks.
