PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	In general the article come out as good form, need a minor corrections. Reference citation in the reference list is incorrect – some cases full name and in some abbreviation	The references are correct- can't write every authors name in full and also it will not make meaning when all is abbreviated
<u>Minor</u> REVISION comments	Checking of reference is essential in text and reference list.	Reference checking have thoroughly done and those found in the text are listed
<u>Optional/General</u> comments	<i>Rhizobium</i> must be in italic, in most the places within text and even in title it is non-italic. Nomenclature is important. In Line 303 L. in italic, as it is authority should be non-italic. In L 312, 314 there were extra full stops. L 238, 239 please check the order of references it should 2006 then 2008.	I agree and have corrected that The italic from the Nomenclature has been removed The full stop has been removed The order of reference has been corrected
