SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Authors should mention the exact location where the research was conducted Authors should mention the precautions taken during blood collection? Authors should be consistent with the style of reference	The locations are Lagos state, Oyo state and Ogun state of Nigeria, Precautions taken during blood collection: EDTA bottles were used to avoid blood clotting and the plain bottle for other collection, Hand gloves were also used to avoid contamination, the style of reference has been corrected and is highlighted in red
<u>Minor</u> REVISION comments	Authors should check grammatical errors in the manuscript	Also the grammatical errors has been corrected
<u>Optional/General</u> comments	This is not a new work in poultry research, it will add to the already known knowledge about the topic. Good work.
