

SDI FINAL EVALUATION FORM 1.1

M PART 1:

Journal Name:	American Journal of Experimental Agriculture
Manuscript Number:	2015_AJEA_17125
Title of the Manuscript:	EFFECT OF SUPPLEMENTATION OF SOYBEAN MEAL WITH LEUCAENA LEUCOCEPHALA LEAF MEAL ON PERFORMANCE, HAEMATOLOGY, CARCASS MEASURES AND ORGAN WEIGHT IN BROILER CHICKENS
Type of the Article	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
Manuscript no. 2015-AJEA-17125 can be published in the American Journal of Experimental Agriculture because it provides new information on the possibility of replacing soyabean meal with local sources of vegetable protein (Leucaena Leucocephala leaf meal) and their effects on productive results, carcass composition, development of internal organs, and level of haematological parameters. The following minor changes have to be introduced before publication: General comments: please give reference numbers in square brackets [1] rather than round brackets (1); please make the list of references according to the instruction for authors, namely move the year of publication; change the METHODOLOGY section to MATERIALS AND METHODS Detailed comments: line 15 add "from 0 to 56 days of rearing" after "respectively", line 18 - 553 g not 530 g; line 21 add "from days 0 to 28"; line 57 give stocking density (bird/m2) during the entire study period; line 76 give energy to the nearest 1 kcal - as for the starter diet; lines 68-70, 77-80 give units of measure (%)?; lines 121,138, 154 after "leaf meal" add "(LLM)", line 160 - description incompatible with the results of the study - no significant difference only for finisher diet, lines 192-240, year of publication elsewhere, between page numbers, en dash everywhere
