- This form has total 9 parts. Kindly note that you should use all the parts of this review form.

SDI Review Form 1.6

PART 2: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Section 3.1, the manuscript only gave the results in Fig.1, however, the discussion was not given, which will be very important for a paper.	
<u>Minor</u> REVISION comments	Fig.2 in 3-D image is not necessary, because there is not the third coordinate axis for any quantity. Also, the Fig.2 is not necessary for the paper, because the data have been shown in Table 1.	
<u>Optional/General</u> comments
