- This form has total 7 parts. Kindly note that you should use all the parts of this review form.

SDI Review Form 1.6

PART 2: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	The manuscript is weak because: 1. There is no control about sorghum. 2. There is no comparison with control biscuits 3. There is no evaluation of several factors that affect the biscuits	1. The authors did not want to use wheat biscuit as the control. 2. Since there is no control there was nothing to compare with. 3. The authors considered factors whose equipment or facilities for evaluation are within the reach of the authors
<u>Minor</u> REVISION comments	More recent cites about the use of non-traditional grains and cereals in the biscuits is important to introduce.	
<u>Optional/General</u> comments
