Subject: Regarding Publication of our paper 2013_BJAST_3382- Clarification regarding

This is my clarification pertained to your mail on 28th may 2013 on the question raised by you regarding the publication of our paper 2013_BJAST_3382 on the title" RECRUITMENT MODEL IN MANPOWER PLANNING UNDER FUZZY ENVIRONMENT".

Mrs. Geetha Nagappan is my Ph. D. student and I instructed her to do this work. Actually this work is based on my thesis work which has been published by Notable publications, Inc., New Jersey, USA. So this paper is the further progress of my original work discussed under different context viz- FuzzyEnvironment. In fact, if at all there is a claim that this paper is already published elsewhere , it should have come from me only. **I ensure that this is our original work.If you have found this paper published elsewhere, kindly send me that paper as I could not view that by the link given by you.** Might probably the title may be the same as the title is a more general one and the approach will definitely be different.
