**PART 1: Review Comments**

|                                            | Reviewer's comment                                                                                                                                                                                                                                                                                                          | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b><u>Compulsory</u></b> REVISION comments | <p>1) Poorly formatted manuscript, font changes in the middle of the paragraph, figures are cutting of sentence. Significant revision needed.</p> <p>2) The resolution of equations are low</p> <p>3) Revise figures 2, 5. Captions are in different page</p> <p>4) Add few more sentences on the novelty of the paper.</p> |                                                                                                                                                                               |
| <b><u>Minor</u></b> REVISION comments      |                                                                                                                                                                                                                                                                                                                             |                                                                                                                                                                               |
| <b><u>Optional/General</u></b> comments    | Not a very novel study.                                                                                                                                                                                                                                                                                                     |                                                                                                                                                                               |
