

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	British Journal of Applied Science & Technology
Manuscript Number:	2013_BJAST_8199
Title of the Manuscript:	TRACE METAL DISTRIBUTION IN FISH, SEDIMENT AND WATER SAMPLES FROM NKISA RIVER, NIGERIA

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
After adding manuscripts it can be publish. This manuscript better than the first paper. But need some references adding, about metals on water samples. For example; Atici, T., Obalı, O., Altındag, A. Ahiska, S. and Aydin, D. The accumulation of heavy metals (Cd, Pb, Hg, Cr) and their state in phytoplanktonic algae and zooplanktonic organisms in Beysehir Lake and Mogan Lake, Turkey, African Journal of Biotechnology, Vol. 9 (4), 2010, pp. 475-487. Atici, T., Ahiska, S., Altındağ, A. and Aydın,D. Ecological effects of Some Heavy Metals (Cd, Pb, Hg, Cr) Pollution of Phytoplanktonic Algae and Zooplanktonic Organisms in Sarıyar Dam Reservoir in Turkey”. African Journal of Biotechnology, Vol. 7 (12), 2008, pp. 1972-1977.	Introduction The additional references have been added to the introduction section of the manuscript from lines 64 - 68. References Additional references were added from lines 405 – 411.
