Subject: Re: Request for final decision for manuscript number 2014/BJAST/8908

I accept publication of the below mentioned paper.

Most of my suggestions have been included in the last version of the paper.
However, the following issues still await correction:

1. Page 3. "non" and "pseudo" are both prefixes. This means that only "non-axis" or "nonaxis" is correct. "non axis" is incorrect. Also, we should have "pseudo-strain" or "pseudostrain" instead of "psedo strain".
2. Page 4. "1 cm" instead of "1cm", and "2.1 mm" instead of "2.1mm".
3. Page 4. The index "I" in ρ_I should not be italic.
4. Replace "4. RESULTS AND DISCUSSION" with "4. RESULTS"
5. Caption of fiure 4. You have "a) Silicone b)Silicone rubber" instead of "a) Silicone b) Silicone rubber"
6. Page 13. "62.8-251.2 mW" instead of "62.8 mW-251.2 mW"
7. Page 14. In [7], "S. V. Lossef" instead of "S.V. Lossef"
7. Page 14. In references [13] and [14] "pp. 525-532" and "pp. 460-495" instead of "pp.525-532" and "pp.460-495"
8. Page 14. [14] should start in a new line.
9. Page 14. In [15] "Am. J. Physiol." instead of "Am J Physiol" - you are inconsistent with other abbreviations of the referenced journals, where you use full-stops
10. Page 15. In [22], [23] and [24] "Am. J. Physiol. Heart Circ. Physiol." instead of "Am J Physiol Heart Circ Physiol"

11. Page 15. In [26] "Proceedings of the 3rd International Workshop on the Biological Effects of the EMFs" instead of the current version. Also, "pp. 50-55" instead of "pp.50-55"

12. Page 15. In [30] "...in Medicine and Biology..." instead of "...in Medicine and biology..." also "Proceedings of the 25th Annual International Conference of the IEEE" instead of the current version
