**PART 1: Review Comments**

|                                            | <b>Reviewer's comment</b>                                                                                                                                                                                                      | <b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b><u>Compulsory</u></b> REVISION comments | I realized that the corrections don't appear the way I did on MS-word doc. The green color are words that should be deleted and red to be inserted. Some of the red words don't appear but the author will notice when reading |                                                                                                                                                                                      |
| <b><u>Minor</u></b> REVISION comments      |                                                                                                                                                                                                                                |                                                                                                                                                                                      |
| <b><u>Optional/General</u></b> comments    |                                                                                                                                                                                                                                |                                                                                                                                                                                      |
