

SDI Review Form 1.6

Journal Name:	British Journal of Applied Science & Technology
Manuscript Number:	2013_BJAST_7589
Title of the Manuscript:	An Overview of Energy Sector and Wind Power Potential in Malaysia
Type of the Article	Review Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound.

SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	No revision recommended	
<u>Minor</u> REVISION comments	No minor revision recommended	
<u>Optional/General</u> comments	I do recommend publication of this paper as it is. The paper is interesting, well written and well organized. It clearly addresses the energy situation in Malaysia in a comprehensive and systematic way, and particularly analyses the wind energy potential in this country. The paper is also supported by a relevant and recent literature search and seems to draw the adequate conclusions.
