SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The introduction is so poor, for example there is missing paragraph about research proposed by the authors, especially this is an experimental work. The methodology is so poor and reader cannot understand the mean of the author and following them. Although the authors offered good table, but they do not described them well and they have not organized well.	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
