SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	- The author needs to put a summary of statistical methods used in the methodology in the abstract. - The author should use statistics to compare the various variables.	The statistical method used has been included in the abstract. The variables are represented in mean values and are compared to the standards
<u>Minor</u> REVISION comments	Mosimi to me is not a keyword	Removed
<u>Optional/General</u> comments	The manuscript is well written.
