

SDI Review Form 1.6

Journal Name:	British Journal of Applied Science & Technology
Manuscript Number:	2015_BJAST_17533
Title of the Manuscript:	On the Reality of the Self-Field Lorentz-Force Accelerators
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound.

SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	1. Author should present the dimensional form of the governing equation in details. 2. All the equations are not clear so please write them in Math type for good resolution. 3. Incorporate the numerical computation for the governing equation in the manuscript. 4. The description of all the results must be elaborated. 5. Figs are also not clearly visible. 6. Write 'where' instead of 'Where'. 7. Ref [21], write the author name in capital letter K.	1- All equations are in dimensional form! 2- I revised them. 3- The main topic is physical analysis and the numerical details can be found in other references. 4- The analysis is based on results. 5- It is revised. 6- It is revised. 7- It is revised.
<u>Optional/General</u> comments
