SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	Paper sound Good, which shows authours strong technical abilties, figures are exceptionally more instead of innovating a new mythology rather than description of already things	Noted
<u>Minor</u> REVISION comments	should need to improve the geology and Physiography of the Antarctic Continental Shelf Section such that cites more references in this section	Noted
<u>Optional/General</u> comments	Nice effort keep it up	Thanks
