SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>This review highlights important aspects of the effect of urbanization in Nigeria. In particular, analyzes the main effects on the environment at different levels: air, water and land.</p> <p>Although they are general arguments, given the multidisciplinary nature of the journal "British Journal of Applied Science & Technology", this review is suitable for publication.</p> <p>However, before publication it would be helpful if the manuscript could be checked to remove minor errors. For example: P6L167. Change [28; 29) in [28;29].</p> <p>The references need to be carefully checked and re-written in the same style. A software for the preparation of the reference list is strongly recommended.</p>	
Minor REVISION comments		
Optional/General comments
