PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
I still find the same unnecessary duplication, even though the authors agreed to remove the one in the introduction section. 1. INTRODUCTION Performance management systems (PMS) embody the set of organizational activities employed by managers to focus employee attention and motivate behavior for the ultimate purpose of implementing the organization's strategy [1]. 2. PERFORMANCE MANAGEMENT AND CONTROL Performance management systems embody the set of organizational activities employed by managers to focus employee attention and motivate behavior for the ultimate purpose of implementing the organization's strategy [1].	Yes, you are right we thought we had but obviously we didn't. The sentence in the second section is eliminated now and we have modified the first sentence to make sense independently (lines 70-72, pag.: 3)
