SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Exclude the paragraph no-1 (Burundi is a,,,,,,, issue in Burundi or not) because it shows overall economic information of Burundi, This paragraph also contains some irrelevant information which not the subject matter of this paper. It will appreciate if "The starting lines of the paper address the theories that advocate this phenomenon.	First of all, I would like to thank the anonymous reviewer for the valuable comments which have helped improve the quality of the manuscript. Regarding this comment, I think the paragraph is relevant and should not be excluded. It highlights the context and the problem.
<u>Minor</u> REVISION comments	However author(s) should "Include additional section (chapter) - that contains information about" Burundi economic growth, FDI inflow, and export information in different years, their trends, and major affecting factors - make sure that do not discuss irrelevant information- You discussions will only limit to the theme of the paper.	This was done. A section (see section 2) was included to highlight the trend of FDI, exports and economic growth in Burundi.
<u>Optional/General</u> comments	Graphical analysis (Trend of GDP growth, FDI inflow and Exports). If there have any ethical issues please clarify.	This was done. A graph was included to highlight the trend of FDI, exports and economic growth for the period of study.
