- This form has total 7 parts. Kindly note that you should use all the parts of this review form.

SDI Review Form 1.6

PART 2: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	Figure 1 need to be updated till recent years. (Line No. 192) For Table 16, have you considered time value of money? If yes, then provide discounting rate. Mention the assumptions for all the calculations. (Line No. 514)	Unable to obtain more current statistics. This may inform why Johnson et al., (2012) have to make use of the same table as now indicated. Payback is conventionally not discounted. Necessary assumption now included.
<u>Minor</u> REVISION comments	Check the tally (208) for No. of hours electricity is supplied/day in Table 8.	Missing figures supplied
<u>Optional/General</u> comments	I find the theme of the paper very relevant in present context.	Thanks.
