SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	1. It is advisable for the authors to provide the reliability and validity test of the respondents in the methodology before proceed with the discussion of the results.	We did not provide the reliability and validity test, considering the high expertise of the questionnaire compilers, that we had the opportunity to test further, by means of telephone interviews.
Minor REVISION comments		
Optional/General comments	This paper is well-presented.
