SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	I have corrected with track changes the attached manuscript file; authors have to advise to see the main file and correct it accordingly. Another the study is good, however, I advised to include few studies related with the topic as below i.e., - Khalid Zaman and Bashir Ahmad Khilji (2013). The Relationship between Growth-Inequality-Poverty Triangle and Pro-Poor Growth Policies in Pakistan: The Twin Disappointments. Economic Modelling, Vol. 30, Issue 1, pp. 375-393. - Muhammad Azhar Khan, Muhammad Zahir Khan, Khalid Zaman, Umar Hassan, Sobia Umar. Global Estimates Of Growth – Inequality – Poverty (GIP) Triangle: Evidence From World Bank's Classification Countries. Quality and Quantity, DOI 10.1007/s11135-013-9912-7. - Khalid Zaman, Iqtidar Ali Shah and Mehboob Ahmad (2012). Understanding the Relationship between Economic Growth, Employment, Income Inequality and Poverty in Pakistan. Journal of Economic and Social Development, Vol. 14, Issue 1, pp. 1-24. - Khalid Zaman, Iqtidar Ali Shah, Muhammad Mushtaq Khan and Mehboob Ahmad (2012). The	I have corrected the manuscript as you recommended, thanks I have read the recommended studies where all of them are about the triangle of growth-inequality-poverty without linking with neither Zakat nor consumption. So, I cannot include this topic (studies) in my study.
