

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	British Journal of Economics, Management & Trade
Manuscript Number:	2014_BJEMT_10735
Title of the Manuscript:	IMPACT OF TECHNICAL AND FUNDAMENTAL ANALYSIS IN THE GLOBAL FOREIGN EXCHANGE MARKET

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
1) I propose this as the title for this work "Importance of technical and fundamental analysis in the foreign exchange market" - o Look at line 18 & 19 " The major concept..... - o If you look at lines 72, the objective of the study is on importance..... - o Line 242 says, Analysis is a principal factor... - o Again, line 247, the importance of..... These three lines are key on your work and seem to bring out the main idea in this research, the importance 2) It is noted that impact and importance are used interchangeably, which is a bit out of place as the two words have very different meanings. 3) Table 1, third row, first column – should read "confirmation" 4) Line 188, Japanese should be in title case	1. Strongly agreed with your opinion on the research title. Effectuated 2. Impact and importance is a misconception...Agreed 3. Table 1 Third row, first column corrected 4. Line 188.....effectuated
