SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	1. In the abstract, the author should give a brief sampling methodology and instruments used in data collection and analysis 2. The results and discussion part is okay but the author should include comparative work from similar studies done in other parts of the world. 3. Some citations are not in the reference list eg. (UNDP, 2013) in line 95 and (Asikhia, 2010) in line number 56. The author should make sure all the citations are put in the references list.	
<u>Optional/General</u> comments	The manuscript is well written and useful in guiding policy development on poverty reduction strategies
