

Special Query to Author

Thank you for submitting your valuable manuscript number **2013_BJEMT_6167** (Title: **MEASURE AND DETERMINANTS OF BANKS' TRANSPARENCY IN EMERGING MARKETS**). One of our reviewer found a similar publication:

As per our strict quality control policy we cannot consider any published paper for our journals (Our General editorial Policy states: Submission of a manuscript clearly indicates that: the study has not been published (partly or as a whole) before or is not under consideration for publication elsewhere (except as an abstract or as part of a published lecture or academic thesis)) (Link: <http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy>).

Therefore, you are kindly requested to clarify this case at the earliest. Kindly inform us, if you have made any mistake during manuscript submission or not. If you have published this paper as only abstract in any conference, you need to adequately restructure the paper before submitting here to avoid any possible copyright or legal conflict.

You may wish to provide your clarification point by point in tabular format.

Clarification Table

Sl No	Section of manuscript	Your manuscript (In this column please write	Previously Published manuscript (In this column please write	Authors clarification (In this column
-------	-----------------------	---	--	--

		similar sentences, values, figures, etc from your manuscript)	similar sentences, values, figures, etc from the published papers)	please write your clarification to differentiate your manuscript from previously published paper)
01	Title			
02	abstract			
03	Introduction			
04	Methods			
05	Results and Discussion			
06	Conclusion			
07	Reference			

If these papers (attached) are not same and there is no question of plagiarism you need to certify the same in writing. After your certification further peer review formalities will be started.

Author Reply for Special Query

the paper submitted is not published in any review.

the paper of my colleague and co-author Ismail ben douissa :

BEN DOUISSA I., 2011, Measuring banking transparency in compliance with Basel II requirements, *Current Issues of Business and Law*, vol. 6, n 1, pp.90-110.

concerns how to measure transparency

the paper submitted to the journal concerns the determinants of transparency, but before to analyze the factors of transparency you have to measure the transparency, for this reason you have take the results of the article published and in our paper we have cited this article.

Then, i will resume the first part related to the measure of transparency and revised the paper according to the reviewer and i will send you the new version of paper
