SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	-Good research of relevance to Nigeria whose scientific quality should be enhanced with more scientific references sourced from other research works. -Conform to referencing norm of journal. Add additional information to Stiglitz in reference, since there is no full stop. -Clearly define globalisation while succinctly outlining its specific features. -Review paragraphs length.	Thanks for the ample opportunity to publish papers in this qualitative journal and the reviewer. The paper is more of empirical than theoretical. The only theories are to be found in 2.0 (.i.e. Literature review) where researchers who researched on this topic's works were quoted with different approaches, results and recommendations.
<u>Minor</u> REVISION comments	-Check and conform to required pages of journal. -Proofread work thoroughly.	
<u>Optional/General</u> comments
