SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	1) Shorten the abstract, make contributions of the paper more clear 2) Please clearly indicate in the introduction how the paper differs from the previous studys 3) Please add a section about the limitations of the study 4) Please compare the results with the previous research 5) Please report the existing findings on Nigerian economy	We quite appreciate the reviewer for his criticisms on this paper. We wish to state here that all the corrections have been corrected as recommended by the reviewer. This empirical work examines the Nigerian situation, the findings and results are centered on Nigerian economy. The recommendations are equally drawing from the findings. The inflationary situation in Nigeria is apparently different, which the researchers dwelt upon in this work.
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	A few papers which authors may find valuable: http://www.ijbssnet.com/journals/Vol_3_No_10_Special_Issue_May_2012/19.pdf http://www.cenbank.org/out/2012/ccd/cbn%20jas%20volume%203%20number%201_article%203.pdf http://www.eajournals.org/wp-content/uploads/Does-Inflation-Weaken-Economic-Growth-Evidence-From-Nigeria.pdf
