PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	This is a well-written paper to illustrate the status of current budget and implementation of public policy in Nigeria. It points out not only the factors of the failure and poor performance, but also provides suggestive remedies. The paper conveys its point clearly and organized.	I quite agreed with the author that his/her comments are very, very objective. Thanks.
