SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The paper is a theoretical reflection on the role of conflict in economic competition across nations. The study is eclectic and comprehensive in the sense that it approaches competition from a series of view points. The literature review is assertive and thorough. Overall, I believe this is a well executed document, that allow the readers to put into perspective the true role of competition among firms and among nations.	
<u>Minor</u> REVISION comments	There are various references to classical work (e.g., Max Weber, Joseph Schumpeter, ...) that are referred to taking the date of last publication; the date of the original publication should be included as well.	
<u>Optional/General</u> comments	----
