SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Athors should more accurately and concisely state the purpose of the article and highlight the main results.	
<u>Minor</u> REVISION comments	They should more accurately justify the choice of the food industry is to analyze the damage to the environment, because we know that such damage is more significant is the case, for example, in the oil industry.	
<u>Optional/General</u> comments	In addition, they should check whether their respondents represent themselves the real situation, but in an article about this is nothing.
