SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	• In abstract general description is not required. So, first paragraph of the abstract can be removed. Write the abstract in one paragraph (100-150 words). It should contain the results of the analysis. • The title 1.1 (Line 15) is not required. Any ay authors should explicitly mention the objective of introduction in the context. • Title 3.1.1 is not a part of results/ discussions. It is only a part of methodology. This can be written as 2.2. • Title 3.1.2 (Calculation Scheme) is also not a part of results/ discussions. It is only a part of methodology. This can be written as 2.3. • I understand that 3.2 are also more suitable in methodology. • If it is possible to ass a cost calculation model (schematic diagram) will improve the clarity of the paper. • Conclusion not required any subtitle. Remove the title 4.1. Conclusion should stand for overall paper. • Rewrite the conclusion by specifying the output of the paper. • Some references are not used in the text.	
<u>Minor</u> REVISION comments	• Try to ass more references. • It is better to add a literature review part	

SDI Review Form 1.6

<u>Optional/General</u> comments	Lack of thorough knowledge about writing a journal paper is found throughout the paper. Try to understand the style of presenting the result.
