SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	Statements referring to related studies in the Results and Discussion section have been made without specifying the actual studies or sources. For example, ... "The people involved in this research confirm the findings of 261 previous surveys: Italian consumers are moved by substantially selfish goals, of private 262 nature: their own health and that of their family members, whereas public goods such as the 263 environmental protection or the survival of peasantry lag far behind." Some of these previous surveys must be stated.	
<u>Optional/General</u> comments	The paper is well written and structured. The findings support the conclusion.
