SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	nil	
<u>Minor</u> REVISION comments	nil	
<u>Optional/General</u> comments	The paper is excellently presented. There is logical organisation of the ideas and arguments. No need for revision at all. I really enjoyed reading the paper and is quite informative. The paper is reach in literature and the methodology is quite convincing that the researchers were upto high level of research. Discussion of the result was quite clear and logical. Variables chosen were critically assessed on how the impact on the problem under investigation. EXCELLENT PAPER.
