PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	-Section1.0-Background – The author makes categorical statements in the first paragraph without any authority to support such assertions. -The Affirmative Action Act is Act what and enacted under which parliament? - If you say just ended parliamentary election is vague so you need to state the year. I believe the last parliamentary elections in Ghana was in 2012 is it this elections you are referring? If yes then state then state the year.	
<u>Optional/General</u> comments	Abstract is concise and straight to the point. On the whole the logic in the paper is superb and well researched.
