SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments		
Optional/General comments	I note that the paper was well structured; the purpose and the objective were clearly stated. The Introduction & the conclusion focus clearly on the main point. The author used varied sentences and words. This paper is an excellent topic and high level of formality appropriate for the audience. Finally, I can say that this paper has a high scientific level and can be publish in British Journal of Mathematics & Computer Science	Ok
