PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	Author(s) must care of writing. The manuscript should be revised according to the Journal's policy. For instance, Table 1 should be given in one part.	Tables are changed according to the Journal's policy.
Optional/General comments	There are already some programs (Maple, Mathematica etc.) in the literature. But, the manuscript is original in itself.	The authors thank the reviewer for recognizing and approving the novelty in the work
