SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	The paper presents some novelty and can be published in this journal after the following minor corrections.	
<u>Minor</u> REVISION comments	The language of the paper is good and arrangement is satisfactory. However, I recommend that some typographical errors in the manuscript must be corrected.	P1,L9 ,We have delete "the"; P1,L -4, We change (1) to (1.1); P2, Theorem A, If not both ---are zeros; P4, L15, we change "setting" to "we set".
<u>Optional/General</u> comments
