SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	The main results contained in Propositions 2.1 and 3.1 seem new to me and are very interesting. The final programs in Singular are also very useful. In addition the paper is well written and contains a lot of examples. On this basis I recommend the acceptance of this paper.	

Note: Anonymous Reviewer
