SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	No Revision required.	
<u>Minor</u> REVISION comments	Nil	
<u>Optional/General</u> comments	The paper is well written. The language of the manuscript is good. Results obtained by the authors are original and important for further research in the subject area. In view of the quality of research of the manuscript, I recommend it for publication in British Journal of Mathematics & Computer Science.
