SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	The statement of the main result, Theorem 1 is to be improved. The result appears as late as p. 16 which could be put on p. 2. There are several places where there is an indentation due to the word software. E.g. just before Theorem 1. There is an indentation: gives the result. Now we state ...	
<u>Optional/General</u> comments
