SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	NA	
<u>Minor</u> REVISION comments	Unify the formats of all journal references. Journals' names of some references are abbreviated but some others are not. I suggest the authors edit these references according to the author instructions.	
<u>Optional/General</u> comments	I think that the numerical technique presented in the article is useful. I approve that this article can be published. Only formats of some journal references should be revised.
