SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	1) The paper is written in better manner and organized and conclusion was not given. 2) In introduction adequate literature review was provided and aim of the study was clearly stated, but the main content was very less and supported to further work.	
<u>Minor</u> REVISION comments	Nil	
<u>Optional/General</u> comments	1) The author was written only one theorem in the entire paper and remaining all the content was preliminaries, even through the result is interesting. 2) I believe that the current study can be improved with minor modifications.
