|--------------------------|------------------------------------------------------------------------------------------|
| Journal Name:            | <a href="#">British Journal of Mathematics &amp; Computer Science</a>                    |
| Manuscript Number:       | 2015_BJMCS_17076                                                                         |
| Title of the Manuscript: | Conditions for existence or nonexistence of positive solutions to elliptic general model |
| Type of the Article      |                                                                                          |

**General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound.

**PART 1: Review Comments**

|                                            | Reviewer's comment                                                                                                                                                                                                                                                                                                                                                                           | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b><u>Compulsory</u></b> REVISION comments | <p>The last statement of the abstract is grammatically incorrect. Instead it might be: "We investigate this phenomenon from a mathematical point of view".</p> <p>Page 3 line 24: " rates balance each other" instead of "rates are balanced each other."</p> <p>Page 6 line 13: "animals" instead of "animals".</p> <p>Page 13 reference 13: There is no year of publication indicated.</p> |                                                                                                                                                                               |
| <b><u>Minor</u></b> REVISION comments      |                                                                                                                                                                                                                                                                                                                                                                                              |                                                                                                                                                                               |
| <b><u>Optional/General</u></b> comments    |                                                                                                                                                                                                                                                                                                                                                                                              |                                                                                                                                                                               |
