SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	1. The figure legend of figure 1 should be explained in more detail: the main findings should be stated explicitly. The letters a, b, and c should be added to the pictures. 2. Similarly, the legends of figures 2, and 3 should be explained in more detail: the main findings should be stated explicitly. The letters a-f should be added to the figure 2; the letters a-c should also be added to the figure 3; otherwise the readers will be difficult to understand.	
<u>Minor</u> REVISION comments	The full name of the abbreviation of PRF is better to be writing out in the title of the manuscript.	
<u>Optional/General</u> comments	This is an interesting clinical case report which would have potential benefit to those dentists of related field; however, it nNeeds some language corrections and the authors are invited to re-check the English structure.
