

**SDI FINAL EVALUATION FORM 1.1**

**PART 1:**

Journal Name:	<a href="#">British Journal of Medicine and Medical Research</a>
Manuscript Number:	2014_BJMMR_15959
Title of the Manuscript:	Epidemiology of Coccidian Parasites in HIV Patients of Northern Uganda
Type of Article:	Original Research Article

**PART 2:**

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<p>The manuscript is significantly improved.</p> <p>I have some comments:</p> <p>On row 112: better to write control group instead of test group</p> <p>Change at all places in the paper gender to sex</p> <p>If no significant difference write "tendency towards..." or "trend towards....", do not write that something is higher or lower</p> <p>Table 1 can be replaced by text only</p> <p>In all the table texts remove the word "showing"</p> <p>In discussion stress more that the prevalence you found is low probably due to the co-trimoxazol prophylaxis</p>	<p>Corrected</p> <p>Table 1 and 2 have been merged</p> <p>Corrected</p>
