

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	British Journal of Medicine and Medical Research
Manuscript Number:	2015_BJMMR_16423
Title of the Manuscript:	Assessment of pupil diameters in Pseudoexfoliation syndrome under scotopic, mesopic, photopic and dynamic conditions using infrared pupillometer (Assessment of pupil diameters in Pseudoexfoliation syndrome)
Type of the Article	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
The authors have addressed all of the reviewer's comments with an obvious effort to improve the manuscript. The modifications, though minor, convey a better message to the reader. The manuscript, however, continues to have poor English language, but I hope this issue can be easily handled.	Thank you. We have struggled to do the best. We spend a lot of time to make the manuscript more understandable.
