

**SDI FINAL EVALUATION FORM 1.1**

**PART 1:**

Journal Name:	<a href="#">British Journal of Medicine and Medical Research</a>
Manuscript Number:	2014_BJMMR_15959
Title of the Manuscript:	Epidemiology of Coccidian Parasites in HIV Patients of Northern Uganda
Type of Article:	Original Research Article

**PART 2:**

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<b>A much improved version that need corrections of spelling errors, citation of references according to journal specifications and finding of <i>E. histolytica</i>/<i>E. dispar</i> definition.</b>  <b>Note: I did not revise all references for correct writing.</b>	Appropriate changes have been made Results for incidental findings were retained but their discussion has been removed because they were not among the aim of the study.  Thank you.
