SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	<p>Although the paper does not add anything new in the literature, it is an interesting article concerning the development of allo-immunization in patients with sickle cell disease.</p> <p>It is well known that the alloimmunization is a major problem in polytransfused patients. What do the authors suggest in order to reduced he problem? Do the patients receive hydroxycarbamide? If they do why are they transfused?</p>	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
