

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	British Journal of Medicine and Medical Research
Manuscript Number:	2015_BJMMR_17374
Title of the Manuscript:	The Effects of a Delay Following Warm-up on the Heart Rate Response to Sudden Strenuous Exercise
Type of Article:	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
There is no revision according to my previous comments in the paper, actually authors could not. Because my comments were regarding the whole manuscript. Authors' response did not satisfy me.
